

**UARK Adventure Therapy Lab Presents...**

# **Adventure Therapy Learning Day!**

Adventure Therapy and experiential learning use games, activities, and recreation to facilitate group development and cohesion, interpersonal relationships, personal growth, and of course, play and fun! Join us to learn about adventure therapy and experiential learning, how the process works, how to facilitate activities, and much more!

**April 1, 2017, 9am to 12 pm**
