

The University and College

The University of Arkansas, Fayetteville, serves as the major center of liberal and professional education and as the primary land-grant campus in the state. It is Arkansas' major source of theoretical and applied research and the provider of a wide range of public services to people throughout the state and nation. In serving its threefold mission of teaching, research, and public service, the University strives to be recognized for excellence and continues to expand and strengthen its nationally and regionally competitive programs while maintaining a high level of competence in all programs.
